## 1960

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 12.5 million, and the number of people aged 75 and over has increased from 4.5 million to 6.5 million (Office of National Statistics 2000).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out a vision for the future of older people's health and care. The strategy is based on the following principles: older people should be able to live independently and actively; older people should be able to access the services they need; and older people should be able to participate in decisions about their care and services.

The strategy also sets out a number of key objectives for the future of older people's health and care. These include: to improve the health and well-being of older people; to ensure that older people have access to the services they need; to ensure that older people are able to participate in decisions about their care and services; and to ensure that older people are able to live independently and actively.

The strategy is a key document for the future of older people's health and care in the UK. ## Dedication

We, the staff, wish to dedicate our 1960 Edisonian to you, Mr. Whitby, for your example of leadership, companionship, and guidance that you have given us during the past four years as our teacher.

Your splendid personality and your sincerity in all that you do will prove to be an inspiration to this graduating class as well as a very pleasant memory.

## Foreword

Many years after the Class of 1960 has departed from these halls, there will come a time when each one will be reminiscing--remembering the days filled with laughter, happiness, and fun shared together!

The staff has endeavored to record those events which meant so much to the students in the hopes that this book will be your "Moments to Remember."

The day we tore the goal post down

The quiet walks

The noisy fun

The ballroom prize we almost won

As sophomores, the Class of 1960 entered the halls of the quite new Edison Senior High School Building with eager anticipation of the years to come. The class was organized under the leadership of James Spanopoulos, president; James Kitchell, vice-president; Juanita Johnson, secretary; Martha Babartik, treasurer.

Finally advanced to the position of upperclassmen, their junior year was filled with many happy moments and exciting events including the return of the junior class play, class rings, and the most wonderful event of the year, the Prom. The officers for the year were William Dopp, president; Mary Pirjas, vice-president; Juanita Mattingly, secretary; Georgia Rogers, treasurer.

The fall of 1959, they were SENIORS and the most important year of their high school life had arrived. This was their final and busiest year, and class officers were elected at the beginning of the year.

Although the Hard Times Dance was held on October 23, the annual Powder Puff Game was postponed a number of times due to the rainy weather but was finally held on November 9.

Besides their class play, they sponsored a Post Prom Party which was the first to be held at Edison; then with an air of festivity came the distribution of programs, name cards, baccalaureate, and graduation.

Looking forward to the future, the Class of 1960 left the halls of Edison Senior High.

The varsity closed its season as Edison's most successful team since 1949-1950. Garry Linn and Ronald Berg were elected as Co-Captains and Ronald Berg was selected as the most valuable player of the team. Garry Linn, Ronald Berg, and Douglas Moore received Honorable Mention on the Calumet All Conference Team.

## Basketball Reserves

The reserve basketball team finished the 1959-1960 season with an 8 won - 8 lost record. This was a very successful season considering the lack of experience on the team. Most of the members of the team had not competed in basketball during their junior high grades. Coach Hartley was well satisfied with their steady, rapid improvement. Their team field goal average for the year was .362 and their free throw average was .586--both very good reserve averages.

## ORGANIZATIONS

Carolyn Zubek, Parliamentarian; Richard Lee, Vice-President; Bernard Spencer, Treasurer; Mr. Gaza, Sponsor; Garry Linn, Court Clerk; Douglas Moore, President; Juanita Mattingly, Secretary.

## Student Council

With a membership of twenty-five members, the same as last year, the Student Council sponsored several projects, one of which was the annual Homecoming Dance after the Calumet Township football game on October 9. Other projects were helping in the supervision of the lunchrooms, lockers, monitors in the hall, and a newly organized Student Court formed under the revised constitution. Under the constitution of the Student Council, students were tried for violations contrary to the laws of the school. At the close of the school year, the officers were elected for the next school year.

Barbara Czilli, Parliamentarian; Juanita Johnson, Secretary; Juanita Mattingly, Treasurer; Mr. Kuruzovich, Sponsor; James Coffey, Vice-President; Richard Bartos, President.

## Honor Society

Through the efforts of the 1958-1959 Student Council, a National Honor Society was established in Edison Senior High School. This year, the organization was composed of twenty-six members, juniors and seniors, upon its establishment. To gain membership into the Honor Society students were graded upon four qualities, which were scholastic achievement, leadership, character, and service. All members were presented with pins and membership cards at the installation ceremony. Honor Society Seals were placed upon the diplomas of the senior members at graduation. Once a person was accepted as a member, he had to maintain his qualifications to remain a member, as anyone becoming lax in any of the required qualities could easily lose his membership.

## Future Teachers of America

The Virgil I. Bailey Future Teachers Club had a busy year. The purpose of the club is to help students determine whether or not they would like to become teachers. This was accomplished by the six weeks' exploratory teaching program.

Trips of the club were the annual state meeting of officers in Indianapolis, the Lake County Round-Up held in Hobart, and the tour of Ball State Teachers Campus.

Other activities included two movies, "Crowded Out" and "Not by Chance," several boys learned to operate the movie projector, each member wrote a book report concerning a book about teaching, and babysitting service was available during Central PTA meetings. On Tuesdays hotdogs were sold to boost the treasury.

Charlene Fabian, Corresponding Secretary; Linda Tavolacci, Treasurer; Marcia Laffin, Vice-President; Mrs. Wiggins, Sponsor; Martha Babarik, President; Elaine Snopel, Secretary.

## Sunshine Society

The Sunshine Society began the year's activities by holding the annual Can Can Dance on December 12. The price of admission at the dance was a can of food per person in order that the food could be given to those in need of help. December 18, the girls distributed baskets of food to the needy. After returning from Christmas vacation, the initiation of the new members was held; however, the biggest event of the year was the annual Sweetheart Dance, which was held February 13. Ending the year, the out-going officers initiated the new officers for next year.

Charlene Fabian, Secretary-Treasurer; Mary Pirjas, President;  
Miss Du Fon, Sponsor; Georgia Rogers, Vice-President.

## Commercial Club

Following an absence of one year, the Commercial Club was once again organized in Edison Senior High School. The purpose of the club was to develop future businessmen and women who will be able to establish a better world of business. The fund raising campaigns were for the purpose of purchasing additional equipment for the commercial department of the school.

Dian Barth, Secretary;  
Mrs. Gleason, Sponsor;  
Susan Pocialik, Treasurer;  
Linda Rose, Historian;  
Karen Scheyper, Vice-President;  
Adeline Reinhardt, Sergeant-at-Arms.

## Homemakers of Tomorrow

Edison's Homemakers of Tomorrow began their activities of the year with their annual initiation tea for new members and the installation of the new officers on November 8. After the Edison-Edison basketball game on December 11, they sponsored a sock hop. To complete the year's activities was their most important event, the annual style show, which was held in May.

Pauline Stazinski, Vice-President; Kathleen Tetarchik, Treasurer; Michael Kevak, Social Chairman, Dixie Catherman, Secretary; Sharon Wracher, President; Richard Stonehouse, Social Chairman; Mrs. Valle, Sponsor.

## Spanish Club

With a membership of thirty-nine members, the club's most festive project was the Pinata, which was held in the Library after school on December 18. It was not only gay and colorful but, also, very interesting to those who had never seen one. On January 8, they sponsored a dance after the Griffith basketball game. Also, they enjoyed a dinner of all Spanish food.

Martha Babarik, Corresponding Secretary; James Spanopoulos, Sergeant-at-Arms; James Wagner, Secretary; Richard Major, Treasurer; James Coffey, President; Donald Zinkovich, Vice-President; Mr. Kasrich, Sponsor.

## Physics Club

Again this year, Edison's look to the future was shown by the reorganization of a Physics Club. Its purpose was to develop a further understanding of science. On October 28, the members took a field trip to the Museum of Science and Industry. Besides sponsoring a sock hop, the members of the club entered their projects in the Science Fair, displaying their year of learning, work, and integrity of future scientists.

Bonnie Boznak, Secretary; James Pelton, Reporter; Charles Hardt, Treasurer; Mr. Cooley, Sponsor; Wally Stewart, President; Nancy Major, Vice-President.

## Science Club

The Science Club enjoyed its largest membership for its fourth year under the guidance of Mr. Cooley. Each member of the club entered a project in the Science Fair sponsored by the Senior High School Parent Teachers Association in the spring.

George Tamalunas, Vice-President; James Wagner, President; Mr. Georgakis, Sponsor; Laflue Wilson, Treasurer; Judith Felton, Secretary.

## Safe-Teen Club

The motto of the Safe-Teen Club, Chapter 307, sums up the purpose of the club in the words, "we drive defensively, courteously, and longer." The main task of the club, which has grown each year, was to prove that youth can lead in highway citizenship. A Safe-T-Rater, which was contributed by the Lion's Club, was used to test the ability of the students. In the spring the organization held a driving rodeo in which all drivers were eligible to enter the contest.

Mr. Georgakis, Sponsor,  
James Spanopoulos, Vice-  
President; Ned Anderson,  
Secretary; Donald Lacko-  
vitch, President, Paul  
Spencer, Treasurer; Mr.  
Gaza, Sponsor.

## E-Men's Club

Each member of the E-Men's Club has earned at least one major letter in one of the major sports: football, basketball, baseball, track, or cross-country.

The activities of the club were selling programs at football games and popcorn at basketball games and sponsoring the Faculty-Alumni and Senior-Faculty games. The profits from these activities were used to send the senior football players to the Chicago Bear-San Francisco football game and the senior basketball players to the state finals and to help furnish funds for the purchase of senior award jackets.

Judith Lewis, Secretary; Carolyn Zubeck, Treasurer; Mrs. Wiggins, Sponsor; Janet Kingery, Vice-President; Judith Sohovich, President.

## Pep Club

With a membership of approximately one hundred and fifty members, the all girls Pep Club's main interest was to increase the school spirit and to support the team at Edison's football and basketball games. To assist in attaining their goal, they constructed an Eagle mascot, which was used at the games. A dance and a car wash, which proved very successful, were sponsored by the club.

## Edisonian

The Edisonian Staff was officially organized the first week of school. Eagerly, the staff undertook the task of selling ads, learning the how's and what's of preparing a yearbook, and setting forth to do their best to place all the laughs, hopes and memories of the year in this one book. Thankful for the patient guidance of Miss Hartley and the ever helpfulness of Mr. Robert Lewis of the Sterling-Coner Studio of Gary, the members of the staff were able to see their book of memories come alive and hope that it will serve as your "Moments to Remember."

We wish to express our gratitude to the merchants who supported our yearbook with their ads.

Mr. Schroterberger, our custodian, kindly gives a helping hand.

The individual pictures of the Sophomores and Juniors were taken by the National School Studios, Bruce Fessler, photographer, 638 Washington Street, Hobart, Indiana.
